NURSERY SCHOOL OPENINGS: Weekday Preschool of Pitman has openings for their 3 year old and 4 year old programs for this coming school year. They also have a Mommy and Me program with a few openings left. For over 50 years, the Weekday Preschool has provided a safe and welcoming environment for children to grow and to know that they are loved. At the Weekday Preschool, we prepare children to live Christian lives and succeed academically. This is done through a Christian perspective by relaying that we are all God’s children and we should share his love with those in the classroom, community and beyond. This is conveyed every day through teachings in the classroom, as well as participation in many different mission based projects throughout the school year. If you are interested, call the office at 589-1021 or visit their website at: pitmanpres.org.
