CHRISTIAN EDUCATION NEWS

Right around the corner is Fall, which means start of the school year. I am ready for the cool air and all the beautiful colors Fall brings. We have a busy schedule for the Christian Education area.

We are gearing up for Rally Day on September 9. We are so happy to have Jack Hill's choir, Choral Arts of Southern Jersey singing for us again. The concert will begin at 11:00 and following the concert please join us for a light lunch in Fellowship Hall.

The following week will start the Sunday school hour for adults and children. For the adults the first fall block class is being led by Milt Fredericks, the class topic is on faith in a storm. This block will be four weeks and the discussion will be about aspects of times in your life and having faith to see through them.

We are also going to be offering a Bible study on Wednesday evenings starting on September 12. Come for a light dinner and discussion about the book The Call by Adam Hamilton. This book is the life and message of the Apostle Paul. This Bible study will last seven weeks. The sign up poster is in the chapel.

We have another great class coming for Fall Block 2 starting on October 28. This class will be led by Judy Platt. This four week class will discuss Hearing and Doing, why and how do we put faith into action?

I can't believe I am going to say it but before you know it we will be planning our Advent season! I can't thank my entire group volunteers enough who help in the nursery, beginner's class and all who plan and teach Sunday school each week. The block scheduling has been working very well so far and has provided great opportunities for both students and teachers alike.

Blessings,
Kristen Franchetti

NURSERY SCHOOL OPENINGS: Weekday Preschool of Pitman has openings for their 3 year old and 4 year old programs for this coming school year. They also have a Mommy and Me program with a few openings left. For over 50 years, the Weekday Preschool has provided a safe and welcoming environment for children to grow and to know that they are loved. At the Weekday Preschool, we prepare children to live Christian lives and succeed academically. This is done through a Christian perspective by relaying that we are all God's children and we should share his love with those in the classroom, community and beyond. This is conveyed every day through teachings in the classroom, as well as participation in many different mission based projects throughout the school year. If you are interested, call the office at 589-1021 or visit their website at: pitmanpres.org.
